Dear Ms Perduta

In response to your questions -

- Probate was granted on an interlocutory application without notice for letters of administration with will annexed filed on 8 September 2014 by R E Mawhinney of Preston Russell Law.
- The grant was made by Registrar Earles
- There is neither a requirement you be informed an application has been filed nor that you permission be sought before an application is considered.

I hope this is of assistance.

Jane Penney
Court Manager and Registrar
High Court of New Zealand

Dear Jane,

I am not able to defend my interests against secret court decisions carried out by furtive lawyers, while the LCRO and the Law Society are blocking my access to professional legal services.

However I have asked you politely for details of the case.

I do not believe you have a right to deny me this information, nor to insist that I try and sort it out with yet another uncooperative lawyer who is not acting for me, and of which I dispute his right to act at all on behalf of the estate.

Kindly answer:

- What was probate granted on
- Who was the court official who did this
- Why was due process of informing me and requesting my permission not observed.

If you will not answer by correspondence I will come ask you in person until you do.

Meanwhile please sign my petition and read more about this on the internet: <https://angelicaperduta.wordpress.com/>
