Dear Chris

**Mother's Estate**

- 1 Thank you for your emails of 25 September 2013.
- 2 Mortlock McCormack Law do not have a specialist Resource Management Department which is in good part what you will require in your matter with the Marlborough District Council. It is always preferable that you retain one legal firm for all of your legal matters. For this reason, we suggest you approach one of the larger firms in Christchurch who would be in a position to represent you on both the Resource Management issue and your mother's estate.
- 3 Thank you for your enquiry. We wish you all the best for your future.

Yours faithfully  
**Mortlock McCormack Law**
